COMMON
VIOLATIONS**

KNOWLEDGE = POWER

RESERVATIONS ARE REQUIRED – YOU MUST REGISTER ONLINE AT BFCIAEI.ORG

Greetings! The Benjamin Franklin Chapter is proud to present the 2024 Eastern Section Meeting Code Breakfast Questions. Every year at the section meeting, each day begins with a code breakfast. The crowd gets tied into knots trying to figure out what the NEC requires from ten difficult, maddening, and thoroughly enjoyable code teasers. These questions are developed by our very own Richard Van Wert and Michal Hofkin. The experts at the section meeting often struggle to answer these brain teasers. Can you do any better?

Our presenters will be members of the chapter board of directors. These knowledgeable professionals are ready to jump into the NEC rabbit hole and see where it leads. There will be controversy! There will be disagreement! There will be “interpretation!” How can you afford to miss this educational opportunity?

Our friends from Billows will bring along Eaton to speak about new technologies. Please join us for an informative evening filled with the know-how you need to succeed! IAEI events are designed to enhance your knowledge and expand your horizons! Your questions will be answered during this interactive presentation.

ARE YOU AN ELECTRICAL PROFESSIONAL 30 YEARS OF AGE OR YOUNGER? JOIN US AT ANY MEETING AND PAY A DISCOUNTED RATE OF \$30.00 FOR YOUR MEAL AND EDUCATION!
