Homegrown talent! The Benjamin Franklin Chapter is proud to announce that BOD member Charles Burckhard will be our presenter this month. Our topic is 2020 NEC Changes. We will explore changes from Chapters 1 through 3 of the 2020 NEC. This comprehensive training will investigate some of the most significant changes to the code. **Pennsylvania will likely adopt new codes on January 1, 2026.** This is not to be missed!

With 20 years of experience, Chuck's wealth of knowledge and innate ability to solve problems have been critical to his success and recognition as an industry expert. Chuck is an Electrical Control and Instrumentation Technician at DSM and an electrical instructor at Bucks County Community College. Chuck has served as an electrical instructor since 2009, teaching nearly 1500 students all aspects of the electrical trade, from fundamentals through advanced motor controls, PLCs, and the code. His students not only excel under his guidance but also gain critical skills to become leaders in their careers. Chuck consistently refines his skills and shares his knowledge to ensure the highest quality service across the industry. Our sponsor, Billows, will provide an industry update from Ideal. All attendees who register will receive a CEU certificate via email.

ARE YOU AN ELECTRICAL PROFESSIONAL, 30 YEARS OF AGE OR YOUNGER, AND NEED TO BUILD YOUR NETWORK AND KNOWLEDGE? JOIN US AT ANY MEETING AND PAY A DISCOUNTED RATE OF \$30.00 FOR YOUR MEAL AND EDUCATION!
