**The best of the best!** The Benjamin Franklin Chapter is thrilled to announce that our board of directors will be our presenter this month. Our topic is the Code Breakfast Questions from the 2025 IAEI Eastern Section Meeting. This BFC annual event explores the trickiest parts of the code. At the section meeting, there is debate, there is dissent, and there is confusion! This comprehensive training will investigate some of the most difficult puzzles in the NEC. This is your chance to weigh in with your interpretation of these sometimes-messy requirements. It is not to be missed!

Our board of directors, most of whom attended the section meeting, will ask the tough questions, provide the surprising answers, educate, and entertain you. With nearly one thousand years of combined electrical industry experience, you will be treated to the sum-total knowledge of these experts. Join us as we enjoy the dissection of our beloved National Electrical Code. Our sponsor, Cooper Electric, will provide an industry update from Milwaukee Tools. All registered attendees will receive a CEU certificate via email.

**ARE YOU AN ELECTRICAL PROFESSIONAL, 30 YEARS OF AGE OR YOUNGER, AND NEED TO BUILD YOUR NETWORK AND KNOWLEDGE? JOIN US AT ANY MEETING AND PAY A DISCOUNTED RATE OF \$30.00 FOR YOUR MEAL AND EDUCATION!**
